Alexandria, VA 22313-1450

Sir:

Before examination of the above-referenced application, please amend the application as follows and please examine the application in light of the following remarks.

**AMENDMENTS TO THE SPECIFICATION:**

Please add the following new paragraph after paragraph no. 0014 on page 3 which starts with "Surprisingly, within the context . . . .":

-"Exemplary embodiments are directed toward a method for the adhesion of windowpanes using a frame that exhibits sealing lips, including contacting the windowpane with sealing lip; pressing in the adhesive through at least one opening in the frame into a hollow space that is bounded by at least a sealing lip and a windowpane; and hardening the adhesive."-

Please replace paragraph No. 0015 on page 3 which starts with "In what follows, . . . " with the following amended paragraph:

-"The accompanying drawings provide visual representations which will be used to more fully describe the representative embodiments disclosed herein and can be used by those skilled in the art to better understand them and their inherent
